

## **MONEY SMART: A KEY TO FINANCIAL LITERACY**

***Money Smart*** is 10 instructor-led training modules covering basic financial topics. The modules can be used in sequence or individually. The curriculum on the CD is intended to provide a convenient vehicle for interested organizations to print paper copies. Each module includes a comprehensive guide for instructors with everything necessary to begin using the program.

The material is appropriate for middle school to adult students and may be used in the manner and venue most workable for your branch. The *Money Smart* curriculum is free and available from the FDIC.

## **HANDS ON BANKING**

***Hands on Banking*** is available from Wells Fargo Banks. It is a CD containing “Better Money Managing” modules for kids, teens and adults. The curriculum is designed for self-paced individual learning as well as for classrooms and community groups.
