

## **CREDIT CARD SMART**

**PURPOSE:** To share credit card savvy with college students

**GOAL:** To introduce AAUW to local campus students

- 1. Find your presenter. A possibility is someone from the state Consumer Credit Counseling Center.**
- 2. Secure a place on your college campus to hold a brown bag. The Women's Center would be good.**
- 3. Work with the college to publicize the brown bag.**
- 4. Use AAUW materials to raise visibility and awareness among the college women.**
