## WHY AAUW?

Our priority: Improving the lives of millions of women and girls—and their families too.

It's a big, bold goal—which means there are a whole lot of opportunities for you to take action. Take up the issue that's closest to your heart, and we'll connect you with the people, programs, and resources you need to make a difference in the lives of women and girls.

## WHY YOU?

Your voice and your ideas are powerful. Maybe you'd like to work with a math and science camp for girls, or empower local college women to be leaders, or help a woman in your community get paid fairly.

We know you're balancing a busy life. That's why AAUW membership is simple; there are no time commitments, so you can be involved as little or as much as you want to be.

It takes only one voice to start making a change. Imagine how much stronger that voice grows when joined by 170,000 friends!

**JOIN US IN HELPING WOMEN ON THE LOCAL, STATE AND NATIONAL STAGE.**

At AAUW we believe that the answers to the world's greatest problems lie in empowering women and girls, and we've said so since 1881.

In boardrooms, statehouses, workplaces, and classrooms across the country, women and girls have a mountain of challenges to overcome. That's where we (and you!) come in. For more than a century people have been drawn to AAUW as the place to make change happen.
