

How to *Re-Envision* Your Affiliate Structure?

What leadership is required....

AAUW requires:

President/Administrator

Financial Officer

**What does your state
law require?**

What meetings are required....

What does your state law require?

AAUW does not have a requirement for meetings.

Leadership....

What leadership positions are required by your affiliate bylaws and policies?

What other leadership positions are in place in your affiliate?

Meetings/Events....

What meetings/events are required by your affiliate bylaws and policies?

What other meetings/events are in place in your affiliate?

What can go....

**A State Affiliate
is not just a
BIG BRANCH!!!!**

Thought and Discussion....

What is the purpose of the
state affiliate?

Thought and Discussion....

What do branches **need** (not want)
from the state affiliate?

Thought and Discussion....

What actually interests the members and makes them participate in substantial numbers?

What can go....

The first step is
streamlining the current
structure.

If that is not enough, then
other structure options
need to be considered.

The same analysis applies to Branch Affiliates....

What is the purpose of the branch?

What do members **need** (not want) from the branch?

What actually interests the members and makes them participate in substantial numbers?

What can go?
